We always try to inculcate this quality among our students. This year also our school celebrated Independence Day and Republic Day with patriotic fervor. Like every year special performances on this occasion was performed at Sub Division office.

FULFILLING OUR SOCIAL RESPONSIBILITY – WE LEARN TO SERVE

'The best way to find yourself is to lose yourself in the service of others.'

Our school wasn't behind in implementing our school motto – **"We Learn to Serve"**

With the support of school management this Diwali students, their parents & our teachers came together for a noble cause. They donate many things which include clothes, grocery, stationary, sweets and many other things for daily need to nearby ashrams & old-age homes. This was just a small step to spread happiness among them.

It was an absolute delight to watch the enthusiastic participation of the students and parents alike while appreciating the thought process that went behind making this event a grand and successful one. Lots of blessings were showered by the elderly at Old Age home.
